**Citations Affected:** IC 12-7-2; IC 12-17.2-3.1; IC 12-17.4-4; noncode.

**Synopsis:** Children and youth. Establishes the Indiana youth development charter committee of the state human resources investment council to collect data and provide recommendations regarding the availability of youth development services. Requires the committee to submit interim reports to the state human resources investment council, the governor and legislative council before November 1, 1999, and November 1, 2000, and a final report before November 1, 2001. Defines a therapeutic foster family home and a special needs foster family home. Establishes requirements for operating a therapeutic foster family home or special needs foster family home, including limits on the number of children cared for and additional training for foster parents. Provides that the division of family and children may grant an exception to the maximum number of children who may be cared for in a special needs foster home in certain situations. Requires the division of family and children to consider the specific needs of each special needs foster child whenever the division of family and children determines the appropriate number of children to place in the special needs foster home. Prohibits the division of family and children from removing a special needs foster child or a therapeutic foster child from a foster family home in which the child is placed before July 1, 1999, due to the home's failure to meet the new licensing requirements unless the division determines that remaining in the home is not in the child's best interest. Reestablishes the board for the coordination of child care regulation, which expired November 1, 1997, for a period beginning July 1, 1999, and ending July 1, 2001. Requires the board for the coordination of child care regulation to study laws governing the regulation of child care and to make recommendations to the general assembly concerning changes in the law that the board for the coordination of child care regulation finds appropriate. (This conference committee report: (1) adds one youth member appointed by the Hoosier Boys' State board of directors of the American Legion and one youth member appointed by the Hoosier Girls' State board of directors of the American Legion Auxiliary to the youth development committee; (2) establishes definitions of and various requirements for operation of therapeutic and special needs foster family homes; and (3) reestablishes the board for the coordination of child care regulation.)
